

Exciting growth for UCC

2014 has been a year of exciting changes for UCC Motorhomes and Caravans. But amidst all that change, a couple of key things have stayed the same – and they are the quality of their motorhomes and the outstanding customer service which UCC has built its excellent reputation on.

So what has changed?

1. UCC has moved to bigger and better premises, they are now conveniently situated at 7 Foremans Rd, Islington, right next SH1.
2. UCC Motorhomes and Caravans now not only sells new UCC motorhomes, but also stocks and supports Southern Star Caravans, Eddis Caravans and Talvor Motorhomes.
3. UCC has also changed its name from UCC Motorhomes to UCC Motorhomes and Caravans to reflect this new direction.
4. We have a new workshop onsite, to accommodate all your repairs and manufacturing requirements.

UCC Managing Director Rob Floris says: “We have had a really good last couple of years but have been very conscious of the changing market in New Zealand. We have recognised this as a great opportunity to continue to offer our customers the outstanding service that we have become renowned for whilst at the same time offering them a wider range of products.

“We are thrilled with our new premises and what the extra space allows us to do. We still have our service centre on-site which offers a full range of repairs and installations by the best service team in the business. There is still time to have the expert team at UCC manufacture your new motorhome in time for Christmas. Plus, the new site gives us more room for a larger RV & Marine Supplies shop – which means our customers can now get all their motorhome and caravan accessories and consumables in one place.

“We are also NZMCA accredited valuers and have three NZMCA Certified Self Containment officers onsite, for all your self-containment needs.

“If you live in Christchurch or are coming through this part of the country come on in and have a look around - we would love to see you.”

With the new Christchurch premises now well settled, Rob is looking forward to spreading the word about UCC further afield.

“We are really looking forward to attending the Covi SuperShow, in Auckland, in its new timeslot of March next year. We have been long-time supporters of the Covi SuperShow – in fact, we were the first company to book space at the very first show back in 2009 – and we always look forward to taking our motorhomes north to the show.

“We will have our new 2015 models on display at the show in March so please make sure you come and see us and check out just how much value a UCC motorhome or caravans offers.

Lastly, if you are in Christchurch at the end of September we have a and open weekend 27-28th of September with our full range of products on display, we would love to see you”.
